

Revision Plan for Year 11

Highlight the subjects you need to revise. Your PPEs commence on Monday 27th February and end on Friday 10th March.

Business	Computing	Drama	English Language	Geography	History	Maths	French
Spanish	Music	PE/Sports	Philosophy & Ethics	IT	Biology	Chemistry	Physics
Textiles	Health and Social Care	Media Studies	Engineering	Food/Catering	Resistant Materials	German	

Complete this checklist:

- Check with your teachers as to what each exam is on
- Get a list of topics covered in each subject
- Ask for additional resources to use for revision, e.g. past papers or revision guides
- Find out what equipment you need for each exam so you can sort all of this out in advance

Complete the revision plan overleaf.

Fill in:

- Any times where you know you have other commitments (such as a sports club or scheduled hobby) and include time to relax alone or with family/friends
- Any sessions you are attending after school or during half term
- Your revision, in the time you have available, to make sure you have given time to all of your subjects highlighted above. Be precise: instead of 'English', plan to revise 'English Paper 1 Section A' for example

When Revising:

- Try to start early in the day and plan in rewards and breaks
- Try to do little and often
- Make sure your revision is "active" e.g. making notes, revision cards/post-its or mind maps, completing past papers, having someone test you, teaching a family member or friend, completing revision tasks set by your teachers etc. Remember that all the resources you make for these exams can be kept and used for your summer exams so work done now will save you time later
- Keep a list of questions or areas you did not fully understand for each subject and bring this is to school to ask your teachers

Complete this timetable and show your tutor to receive a prize. There will also be prizes for students who show their completed revision in the coming weeks!
